Come get some great Thai food and BBQ and help support our next missions trip to Thailand. This November we will be taking a team of missionaries to Thailand where we will share the Gospel with the people there. We will also provide lunches as we teach English and share the Gospel in 14 different schools. **Your gifts will also buy much needed backpacks, shoes, socks, school supplies, reading glasses and other items to bless these children.** We will do home visits where we continue to share the Gospel and distribute gift bags loaded with food supplies to needy families.
