**\$15,000 3-for-1
Matching Donation**

We have recently had a very generous donor offer matching funds, up to \$15,000, that they will donate \$1 for every \$3 donated through April 30, 2026. This is for the final push to raise the last \$69,000 for the first part of Phase One of our building project, which is the multi-purpose building.

Go to **voiceforthailand.org** and make your most generous gift. Or send a check payable to **Voice for the Voiceless Thailand to P.O. Box 804 Holbrook, AZ 86025.**
