

Voice for the Voiceless Thailand

March 2026

But to all who receive Jesus, who believe in His name, He gives the right to become children of God.
John 1:12a

So much has happened during our January to March 2026 trip. There is never time for us to recover from jet lag before we are busy in the schools. After settling in we were able to get some rest.

On our first full day after arriving, with the help of some of our brothers and sisters in Christ from another area, we put on a new year's party for our children who attend English classes. They had such a blast with lots of Christ-centered fun, games, laughter, and food. It does our hearts good to see our children soak in the love of our great God.

Three children received Christ this day. We were exhausted at the end of the day, but God gave us His grace.

The next day, we were in our first school for this trip. This was a small school where they combined with another smaller school nearby. During the two months we were in Thailand we taught in 31 public schools using John 1:12 as our mission verse and also teaching Creation Week.

Our missionary ladies, Susie and Natalie, with the help of Tina as translator, continued the afternoon purity classes for our girls 4th through 6th grades. This is our second year of doing these classes and we were amazed at how the girls responded. As we did in the past, the ladies talked about how babies are formed in their mother's

womb. We use the baby models so that the girls can see how tiny and precious they once were. They are also taught how precious they still are in the eyes of God and that He created them to have a relationship with Him.

The principal at one of our schools asked Tim to teach their boys while the girls were in their purity class. Out of this came our very first Manhood class. Boys 4th through 9th grade were taught how to treat girls and women and that there are God-given differences in boys and girls and that these differences should be embraced. There are many boys and girls in Thailand who have believed the lie that they were born in the wrong body. This was the first time that they were ever told the truth that God created us male and female and that there is nothing a person can do to change that and that God does not make mistakes. "I am not yet convinced that a man and a man should not sleep together" said a 15-year-old boy during Manhood class.

We continued to visit the elderly, infirmed, and impoverished at their homes. The distribution of reading glasses has continued to be a huge blessing. We give them Gospel tracts so they can test out their new glasses. We made 80 of these home visits distributing food bags to each of these precious people. During this time of evangelizing, we shared the Biblical truth about Creation Week as well as what Jesus did for them. In the past we shared with one household at a time.

"Daddy, where do clouds come from?" asked 7-year-old Ranu growing up in Thailand in 1982. "They were always there even before your ancestors" answered Pa. Ranu was not satisfied with this answer. (Most of you know this now grown-up girl as Tina).

"After I moved to the United States and received Jesus as my savior, I now know where the clouds come from" explained Ranu (Tina).

"This is the reason why we taught Creation Week to the children in 31 schools during this trip. Now they know where the clouds come from and how precious they are to God."

-Tim, Director, Voice for the Voiceless Thailand

"If my heart was broken, can Jesus heal my heart?" 12-year-old girl during purity class.

"If I believe in Jesus can I forsake Buddhism?" 12-year-old girl during purity class.

I thank your God to send you to us."

-English teacher at K-6 school

However, with Tina's voice being seriously strained we chose to combine four or five families together. This worked out very well and we were able to spend more time sharing the creation week and the gospel with them. Five people asked Jesus to be their savior through these home visits. At another location we began sharing with an elderly man. He told us that he is a Christian having received Jesus years ago. He told us that he has no place to go to fellowship. He asked for a Bible, which we later delivered. "If you had a place to go to church and fellowship, would you go?" asked Tim. "Yes, yes I would go," said the elderly man as he smiled.

We were blessed to be a part of *Operation Christmas Child* as we distributed shoeboxes to more than 100 children at two different locations. We have packed shoeboxes for years in the U.S. This is the first time that God allowed us to actually be a part of the distribution of these shoeboxes and to see what a blessing you all are to these children whom you will likely never meet in this life.

\$15,000 3-for-1 Matching Donation

We have recently been offered a \$15,000 3-for-1 match from a generous donor. For every \$3 we raise, this donor will contribute \$1 up to \$15,000 through April 30, 2026. This will give us \$60,000 towards Phase I of our building project, which is the construction of the multi-purpose building. We are so excited about this. Please pray about being a part of this offer. You can donate at our website listed below.

Divine Appointment:

In December 2022 after finishing our program at the local high school, a boy named "Bell" approached us and explained that he was a Christian. He had found a Bible in the school library and began to read it. He said that he believed the Bible and through reading it became a Christian. After this we lost touch with Bell. We often thought about him and prayed for him; but we did not see him again. We prayed for God to help us find him. One day during our trip in January 2026 we stopped at a gas station to get gas. The attendant was looking and smiling at Tim through the windshield. Tim recognized him but was not sure who he was. He asked the boy his name. He said that he was Bell. We were so excited and embraced Bell. We all started crying as this was a reunion for us. We told Bell that we've been looking for him and praying for him. He said that he has been looking for us as well. We later gave Bell a Bible. He was so grateful and told us that he always wanted his own Bible but could not afford one. Three weeks later when we visited Bell he told us that he has read almost half of the Bible that we gave him.

Future Multi-purpose Building

Praise report (answered prayer):

- God has raised more than \$90,000 towards the goal of \$150,000 for the multi-purpose building project
- A generous \$15,000 3-for-1 matching donation
- Construction of our house began in January
- We distributed more than 100 Operation Christmas Child shoeboxes
- We served/distributed 31 schools, 1500 backpacks, 3,956 bowls of noodle soup, 736 child gift bags, 506 girl's purity gift bags, 121 Operation Christmas Child shoeboxes, 80 home visits.

Prayer needs:

- Our return trip April 22 through May 22, 2026 to finalize the house construction and disciple new believers and our children.
- For the children and elderly to come to a salvation understanding of who Jesus is
- Funding for the first part of Phase I of property development, which is the multi-purpose building at a cost of \$150,000
- More donors to partner with us financially

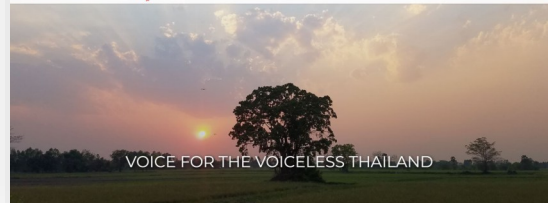

Voice for the Voiceless Thailand is a 501(c)(3) non-profit. All contributions are tax deductible as allowable by law. Visit us online where you can support us as well as learn more about us and what is happening in Thailand.

Speak up for those who cannot speak for themselves, for the rights of all who are destitute. Speak up and judge fairly; defend the rights of the poor and needy. Proverbs 31:8-9
